Re: *Jones v. D'Souza, et al.*
Case No. 7:06-cv-00547

Dear Mike:

I write, reluctantly, with regard to the T-Check information which you recently provided to us. We have compared the information provided to the excel spreadsheet data from the Express system. Based upon that spreadsheet data, we have identified almost 100 loads where we know from the Excel spreadsheet information that T-checks were issued, but for which there is no T-check information in your most recent production. I am enclosing a list of those load numbers with this letter. Is there a reason why this information was omitted from the prior production? Moreover, how much additional T-check information is out there which has not been produced and which we have not been able to identify through the Excel spreadsheet information?

I look forward to hearing from you.

Sincerely yours,

Timothy E. Kirtner
